GRAND AND SQUARE PIANOS are now considered
the best in Europe as well as this country, having received the
first Prize Medal at the World's Exhibition in London, 1802.
The principal reason why the Steinway Pianos are superior
to all others, is, that the firm is composed of five practical
plane or te makers fighter and four eons), who invent all their
own improvements, and under whose personal supervision
every part of the instrument is manufactured. Watercouns
